6th Grade Band - Mr. Drake

The Music Shoppe will be on site with many different instruments to try. Students will have the opportunity to play different instruments. Mr. Drake will work with each student to find the right fit.

“The wand chooses the wizard”
Students will find the instrument that fits them best, not necessarily their first choice.

6th Grade Choir - Mrs. Lemons

Mrs. Lemons will meet with groups of six 6th graders for 30 minutes per group. In this meeting, she will ask questions and do some very informal singing with each group. This is not an audition where the students must prepare a piece to be sung. However, if students would like to sing a short song, they are welcome to do so. Mrs. Lemons will observe behavior and singing ability in the group meetings. Students may also ask questions.
